Sports Broadcaster

Experience

- July 2019 - Present **Play by Play Broadcaster**
NBA Summer League
One of the play by play broadcasters utilized at the annual MGM Resorts NBA Summer League in Las Vegas. Provided television broadcast calls for ESPN, NBA Broadcasting, and the radio calls for NBA SoundSystem. Select games done in partnership with the broadcast network of NBA teams.
Additionally, managed/hosted a podcast that featured interviews with a variety of the top coaches, players and personalities around the league.
- March 2019 - Present **On-Air Talent / Executive Producer**
ESPN Radio (93.5 & 107.5 The Fan), WIBC (93.1 FM), & Network Indiana
Co-Host / Executive Producer of The Fan Midday Show.
Assist producers in booking guests and creating segments for the show, research content and intel for each show, work with a wide variety of co-hosts on a daily basis, organize daily sports betting segments, manage editorial process of articles via WordPress, edit all audio and publish the daily podcast.
- March 2016 - Present **Play by Play Broadcaster**
HallPass Media
Play by Play broadcaster for HallPass Media, a sports marketing and media company.
Regular assignments include:
Providing Play by Play for broadcasts and conducting on air interviews. Hosting coach's shows and other select events. Also managing creation of game notes, on-air segments, and broadcast prep.
- April 2016 - March 2019 **Play By Play Broadcaster**
Adidas Gauntlet
Official Play by Play Voice of Adidas AAU Basketball. Games were streamed to thousands of viewers and focused on events such as: Adidas Uprising: Gauntlet Series, EuroCamp, and the Adidas Summer Championships.
These events featured the likes of Zion Williamson, DeAndre Ayton, and LaMelo Ball to name a few.
Other duties included:
Managing research and creation of game notes on each team, promoting games and events on social media, conducting interviews with coaches and players, hosting coach's shows and providing play by play for all broadcasts.
- August 2014 -
February 2018 **Host, Producer, Play by Play Broadcaster**
CBS Sports Radio
Studio Host and Producer for Roncalli Rebels Football and Basketball on CBS Sports 1430am.
Over the course of an entire broadcast I would: Host the pregame / halftime show / postgame show, previewing the game and matchup history, recapping the action and playing back highlights for listeners.

Manage social media coverage on designated accounts while cutting in-game highlights on the fly with Adobe Audition. In addition, was the Play by Play Voice of Indiana High School Basketball coverage.

October 2015 -
October 2016

Radio Host

Learfield Sports

Host for the Indiana University Athletic Department and Learfield Sports' coverage of IU Women's Basketball. Also conducted interviews with players on a weekly basis that would be played at halftime.

Game day tasks included: Hosting the pregame, halftime, and postgame shows at Assembly Hall for all home games, as well as tracking stats and important information over the course of the game and passing them to the play by play broadcaster.

August 2015 -
August 2016

Play by Play Broadcaster

Franklin College

Served as a play by play broadcaster for the NCAA Division III Franklin Grizzlies. Sports broadcasted included football, volleyball, baseball and Men's & Women's basketball. All games were streamed live on Franklin's athletic streaming service (GrizTV).

May 2014 - May 2015

Executive Director

Indiana University Student Television

Served one term handling meetings within the station and its respective board of directors. Assisted in presentations made to promote IUSTV within the IU community. Recommended and advised IUSTV's entrance and merger into the new Media School on campus.

May 2014 - August 2014

Production Intern

CBS Sports Radio

During the Summer of 2014, I completed a wide variety of tasks and assignments for CBS Sports 1430am in Indianapolis, Indiana. The internship provided experience with Adobe Audition, Adobe Premiere, Wide Orbit, and basic radio equipment needed to have a successful sports radio station.

November 2009 -
May 2013

Play By Play Broadcaster

Roncalli Media Network

Broadcasted boys and girls basketball games as well as baseball and softball on RoncalliMediaNetwork.com and CBS Sports 1430 am radio. During my 4 year tenure, I was on the call for over 100 broadcasts on the network, bringing the action to thousands of listeners each game.

Education

August 2013 -
December 2016

Bachelor of Science in Kinesiology Indiana University-Bloomington

Major: Sports Communications (3.34/4.0gpa)

Completed a degree in Sports Communications from the School of Public Health's Department of Kinesiology on the campus of Indiana University in Bloomington, Indiana.
